Planning Application

(124888/FO/2019)

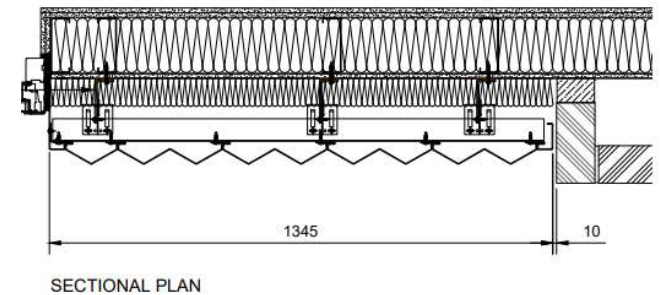

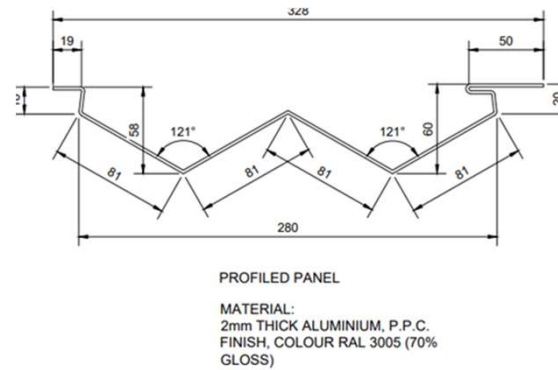

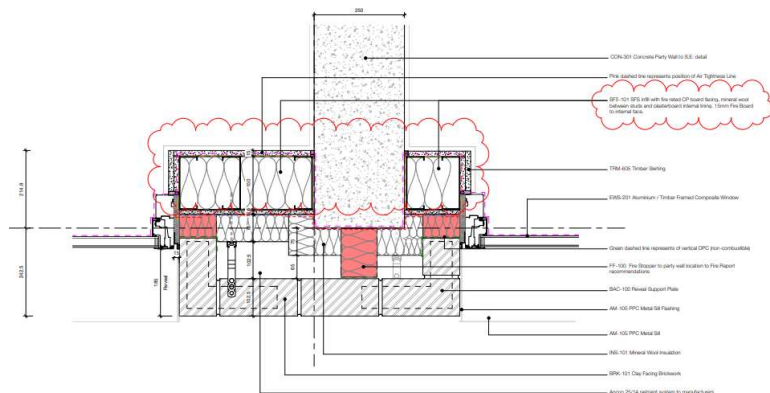

Onsite Brickwork Facade Sample

Facing Brickwork - Janinhoff MSZ - NF – 8, water struck 240 x 115 x 71 mm.

Mortar – Euromix - M3ANW121 'Lilac

Mastic Movement Joints– External grade mastic to match mortar colour.

A large, multi-paned window with a dark red frame is set into a red brick wall. The window consists of eight rectangular panes arranged in a 2x4 grid. The reflections on the glass show a cloudy sky and the silhouettes of buildings across the street. The brickwork is a mix of red and brown tones, with a white horizontal band running below the window frame.

Metal Panel Cladding System – IMS Bespoke system, 2mm extruded aluminium panels, PPC colour RAL 3005 Red Wine 70% Gloss.
