Hi Paul,

We have viewed the sample pointing on site this morning. We are happy with the colour and mix and have agreed with the masons to slightly recess the mortar behind the face of the brick so as not to loose the definition of the bricks.

I will forward the pointing mortar mix.

Kind regards,

Tom

Hi Paul

Please see attached photographs of the pointing repair sample to the brickwork on the Rutherford Building, as requested previously. Can you please confirm whether or not this is acceptable?

Thanks

Tom
