18021-04-01-03 HRD Condition 5 Discharge Application Covering Letter

Dear Sir / Madam,

Application to Discharge 130127/VO/2021 – Condition 5 Dilapidation Survey Highways

Planning Portal Ref: PP-11245697

We have recently completed an online application via the Planning Portal to discharge Condition 5 of the approved MCC Hammerstone Road Depot application 130127/VO/2021 and this should be in the process of being transferred to yourselves for validation.

The highway dilapidation survey information required to support the discharge of the condition is web based on a site called Multivista and can only be accessed by invitation. This was discussed prior to the application with the Case Officer Sue Wills and Sue advised an invitation should be forwarded to Anthony Moore (anthony.moore@manchester.gov.uk) in the first instance.

An invitation for Anthony to access the survey information on Multivista has been emailed to him on the 19th of May 2022, if required additional invitations can be made available for the consultees.

If you have any questions or experience difficulties accessing the documents, please don't hesitate to contact the writer.

Yours faithfully,

pp.
