Part 1 – Particulars of the application/development

Proposal: Erection of 2 x 2 storey dwellings (3 bed) and 5 x 3 storey dwellings (4 bed) following demolition of existing property

Location: 319 Brooklands Road, Manchester, M23 9HE

Date of application: 16 April 2020

Application number: 126542/FO/2020

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed against the policies within the Manchester Core Strategy Development Plan Document, the guidance contained within the National Planning Policy Framework and National Design Guide. The applicant was advised that the provision of residential accommodation in this location would not be appropriate as it was out of character with the pattern of development and have an unduly detrimental impact upon the existing levels of visual amenity enjoyed within the vicinity of the site. As the nature of the proposal was considered to be unacceptable and the applicant has requested that the proposal be determined in its current format, a solution that was acceptable to both the Local Planning Authority and the applicant could not be reached.

Reason(s) for decision

1) The proposed development, by reason of its siting, would be out of character with the historic pattern of development in the area and result in an incongruous feature in the streetscene. It would therefore be detrimental to existing levels of visual amenity enjoyed on Brooklands Road and Fairwood Road and contrary to Policies SP1 and

DM1 in the Manchester Core Strategy and guidance contained within the National Planning Policy Framework and National Design Guide.

2) The proposed development, due to its design, scale and massing would be out of character with the urban context within which it is located. It would therefore be detrimental to existing levels of visual amenity enjoyed on Brooklands Road and Fairwood Road and contrary to Policies SP1 and DM1 in the Manchester Core Strategy and guidance contained within the National Planning Policy Framework and National Design Guide.

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
