Date: 30 May 2022

Dear Sir/Madam,

Application under Section 96a of the Town & Country Planning Act 1990 (as amended) for a Non-Material change to a planning permission

Application No: 133730/NMC/2022

Description: Non material amendment to planning permission 121099/FO/2018 including elevational alterations, installation of a external flue and modifications to car parking layout

Location: Rammon House , 1 Portugal Street East, Manchester, M1 2WX

I refer to your application for a non-material amendment to planning permission reference 121099/FO/2018.

Following an assessment of the details and plans submitted, it is confirmed that the proposed amendments are considered to be of a non-material nature and acceptable to the City Council as Local Planning Authority. The City Council is satisfied that the proposed changes will have no material impact upon the previously approved scheme and the works will not adversely affect visual or residential amenity within the area or will they have any significant material impact upon the overall quality of the development

The proposed amendments relate to changes resulting from:

- 1.Changes in regulations since the development was submitted, most notably fire safety.
2. Change in construction methodology (partly as a response to the above item) including improved buildability, to suit procurement or improve viability.
3. Technical design development.

Therefore I can confirm that the proposed amendments are hereby **approved**.

It should be noted that this letter of consent does not supersede the decision notice attached to planning permission 121099/FO/2018. These documents should be read in conjunction with one another. Therefore, the conditions previously applied to approval 121099/FO/2018 still apply to this development. However, due to the acceptance of the amendments outlined above, the following amended conditions also now apply:

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

(a) 05301MP 00 1000 (Existing Location Plan) Rev F, 05301 MP 001102 (Proposed Demolition Plan) Rev A and 05301 MP 001201 (Proposed Block Plan) Rev K;
