

14th April 2021

Julie Roscoe
Director of Planning, Building Control & Licensing
PO Box 532
Town Hall
Manchester
M60 2LA

RE: Application number: 129752/FO/2021

Proposal: Extension to rear of shop and conversion on First Floor to form two one-bedroom single flats.

Location: A6 Cycle Warehouse, 752 to 754 Stockport Road, Manchester, M12 4GD.

In reply to your letter regarding additional information required see attach

- 1: Amended copy of site plan edge red matching the extent of proposed development.
2. Window openings on floor plan and elevation matched-up.
3. Copy of waste transfer notice and contract with company.

Commercial waste will be deposited in a general waste bin and removed by License carrier.

Regarding the domestic waste for proposed flats.

Following communication with Environment department we have being told that bins cannot be provided until flats are completed and ready for occupation.

Once building works are completed my client will apply for bins (Black and Green), general waste and packaging prior to occupation of flats.

We can send confirmation to you via email at this stage.

Yours faithfully

Barry Gordon
