1. The drawings, design and all information contained therein are the sole property of Nordest Design Associates (NDA) and reproduction in any form is forbidden unless permission is obtained in writing.
2. This drawing is to be read in conjunction with all other drawings, specifications and specialists drawings.
3. Conflicting information shown on the NDA drawings or discrepancies between the information given by NDA and that provided by others must be referred to NDA before work proceeds.
4. Dimensions must not be scaled from this drawing.
5. Dimensions marked "dimension to the site crevices" are subject to confirmation by site measurement before submission.
6. Subcontractor surveys, such as for the purposes of telework installation, take precedence over site dimensions indicated on this drawing. All surveys should ensure an accurate fit of components.
7. Temporary works associated with the construction of the probe shall be the responsibility of the Principal Contractor. Where any temporary works or scaffolding are required the Principal Contractor shall appoint a competent and suitably qualified person to supervise the works in accordance with BS 5975 for guidance on temporary works and the role of a TWC.
8. Calculations and drawings of all Contractor designed structural items associated with NDA's design responsibilities shall be submitted to the Engineer for comment at least 10 days prior to manufacture. Any comments made by NDA do not absolve the Contractor of his design responsibilities.
