Comment Reasons:

Comment: Even though we don't live in Egerton Rd, Fallowfield anymore, we still have many friends there whom we used to visit regularly pre covid times and our house is let to a family of 5. We insisted on having a family living there as we didn't want to have more students added to an already over saturated area of student population. The problems related to an increase of students in the area are immense, and the proposal to build space for 425 more students is totally unsustainable. There won't be a balanced community at all, the noise, the litter, the drunkenness will just increase making the lives of my poor friends unbearable. So please do reject this proposal
