	Yes/No - how much space has been provided?
0.43m ² has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually.	N/A

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste -	1
Pulpable Recycling -	1
Mixed Recycling -	1
Food Waste -	1
Industrial Waste -	N/A

Has / will a contract be obtained with a licenced waste carrier?	Yes	☐
--	-----	--------------------------

Mixed Use Developments

Are the stores for residential and commercial separate from each other?	N/A	☐
---	-----	--------------------------

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Daily waste will be sorted and stored in appropriate bins during the day before being transferred to our secure outside bin-store after closing time.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

To the rear of the building, on private land, we will build a secure and discreet bin-store out of sustainable materials. We aspire to become a zero-waste business over the coming years, and our waste management and recycling procedures will reflect this.

Ensure all bins in the store are accessible	Yes	☐
Ensure recycling facilities are as easy to access as general refuse	Yes	☐

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation -	It's outside
Hygiene -	Bins to be cleaned and disinfected weekly on emptying

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

Restaurant management/staff

Please ensure that you have attached:

Detailed plans of waste stores	☐
Location plans showing stores	☐
Location plans showing the proposed collection point and the route the collection vehicle will take	☐

The store is easily accessed from Cable Street

Please ensure that you have completed this form in accordance with our GD04 Waste Storage and Collection Guidance for New Developments

Yes
