1 : 500

Key Location Plan

Notes

1. Do not scale this drawing.
2. All dimensions must be checked on site and any discrepancies verified with the architect.
3. Unless shown otherwise, all dimensions are to structural surfaces.
4. Drawing to be read with all other issued information. Any discrepancies to be brought to the attention of the architect.
5. This drawing is the copyright of Levitt Bernstein and may not be copied, altered or reproduced in any form, or passed to a third party without license or written consent.

This is not a construction drawing. It is unsuitable for the purpose of construction and must on no account be used as such.

LB Note: 24.02.2021
This drawing has been updated as part of the Section 96a application including a reduction in floor to floor heights of the houses and material updates. Please see proposed 1:200 elevations and sections for details.
