REV P4
Windows changed to angled oriel windows
to mitigate direct views to northern neighbours

REV P4
Walls and planted scheme extended.

NOTES:
xxxxxx

GENERAL NOTES:

1. Do not scale. Use figured dimensions only.

2. Confirm all dimensions and levels on site.

3. All works to be carried out in accordance with the Building regulations, British Standards, Codes of practice and any printed directions issued by manufacturers of proprietary materials and components used (specified or not).

4. The contractor shall be responsible for the stability of the existing structure during construction and shall provide all temporary supports necessary for this purpose. He shall also prevent overloading of any completed or partially completed elements.

5. The building owner is responsible for the service of any notice required under the Party Wall Act 1996 and for ensuring that all parties with an interest in the building are given due notice of the works prior to commencement.

6. This specification is to be read in conjunction with the drawings and any other consultants drawings for structural or mechanical/engineering calculations.
