

NOTE:

This set of drawings is detailed sufficiently to satisfy a Planning or Building Regulations submission. No liability is accepted for any loss or any sort of additional expense incurred consequent on any failure, real or alleged, of the drawings to meet the requirements of any body statute or otherwise. The layout and specification of this drawing is a guide as to what may be required to satisfy a Planning or Building Regulations submission. This does not imply that this is the only acceptable way of achieving Planning or Building Regulations consent. No liability is accepted for loss or expense incurred consequent of any variation to the layout specification that may be required as a result of any change of circumstances or the need to follow custom and practice, the requirement of the Planning Officer, Building Control Inspector, or Consultant Engineer. This set of drawings is prepared by copyright of NS Architects Ltd. Do not scale from this drawing. All dimensions, levels, and dimensions to be checked on site before any purchase or construction is undertaken unless the drawings is issued within the description to do so.
