

Contractor (Design and Management) Regulations 2015
Designer's Declaration
LDM Design has taken all reasonable steps to ensure that the design is in accordance with the relevant Building Regulations and has been checked for compliance with the relevant Building Regulations. The Designer has provided adequate information about any significant risks associated with the design and has coordinated the work with others in order to improve the way in which risks are managed and controlled.
The associated risks are limited to site or project specific risks and as such are not considered as a complete and final list of hazards to be used.

- Notes
- 1 All dimensions are in millimeters.
 - 2 Dimensions are not to be scaled directly from this drawing.
 - 3 All dimensions are to be checked on site and the Architect is to be informed of any discrepancies before construction commences.
 - 4 All references to drawings refer to the current revision of that drawing.
 - 5 Structural and services information shown is indicative only. Refer to Consultants drawings for details and setting out.
