Adrian,

Photographs attached of the 2no pedestrian gates. 1 to each side of the apartment block. Combination lock to either side.

Does this now complete the SBD part of the project? Can it now be signed off?

Hi Adrian,

Tried to call you; since your last visit the automated gates to the apartment car park have been fitted and the cycle shelter now has a secure lock on it.

Can you please come out to look at these last two items before signing the project off as complete?

Please let me know when available.
