IMPORTANT Property of Engineer Solutions (Projects) Ltd. Do not copy or re-issue this drawing without written permission.				
This drawing represents the design and function of the equipment depicted. The final product may vary in precise detail subject to suitable component manufacturing. Structural integrity is not warranted, such information is available by separate warrant only where requested in writing from us and may be subject to changes. We take no responsibility for existing structures, patent infringements or design variations. We reserve the right to modify or change any features which do not fit our final build programme as we see fit in the reasonable pursuit of best engineering practices and safe design without notice. Checking the proposed works to ensure they don't result in unbalanced or conflicting site activities is the responsibility of the client or their appointed agents or officials.
