Dc	Deschampsia cespitosa	C	2 Litre	9	3%	46

Plant randomly as single-species and in single-species groups of 2-5 within labelled areas indicated on planting plan.

Final setting out of plants to be agreed with Landscape Architect prior to planting

If specified pot size can not be sourced, smaller pot sizes would only be considered suitable with increased density.
Any changes to the plant specification to be agreed with Landscape Architect prior to planting

Shrubs

Abb	Name	Root	Container	Density /m2	Habit	Height	Quantity
