Garden Waste	140/240	1 x wheeled bin	—
Food Waste	23	1 x 23 litre caddy	2 x 240L

Current

Emptied

Twice a week

monthly

weekly

High Rise Apartment Developments

	Yes/No - how much space has been provided?
0.43m ² has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually.	

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste -
Pulpable Recycling -
Mixed Recycling -
Food Waste -
Industrial Waste -

} No change to current provision listed on Page 1.

Has / will a contract be obtained with a licenced waste carrier?

In place - B+M waste

Mixed Use Developments

Are the stores for residential and commercial separate from each other?

N/A.

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Internal bins emptied daily to outside bin store.
Segregation → food waste is separated by the school kitchen. Card and paper waste is collected in separate bins throughout school.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

Bins stored in secure compound as per site map attached

Ensure all bins in the store are accessible

Ensure recycling facilities are as easy to access as general refuse

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - Waste store is outdoor

Hygiene - Area is kept clear and tidy by site staff and bins are cleaned regularly

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

B+m waste collect bins direct from company

Please ensure that you have attached:

Detailed plans of waste stores	☒
Location plans showing stores	☐
Location plans showing the proposed collection point and the route the collection vehicle will take	☐

through main entrance.

Please ensure that you have completed this form in accordance with our GD04 Waste Storage and Collection Guidance for New Developments
