

Waste Management Strategy

Application Number:

Development description: 128450

Development location: 751 Stockport Road Manchester M19 3AR

Strategy prepared by: HSH Engineering Design Service, 428 Cheetham Hill Rd,
Manchester M8 9LE

Date Prepared: April 2021

Notes

The following strategy should be prepared using the guidance document available from:
<http://www.manchester.gov.uk/opservices/rubbish/developers.htm>

1. Number of bins proposed?

The snooker will be using refuse sacks to dispose of the waste ,the waste will be separated and sorted as follows :-

Paper , Tins cans , Plastic bottles and Cardboards no glass bottles would be allowed at the premisses.

General waste bins will be used at the premises for the safe and hygiene use only and for the recycling only. All the waste will be bagged and disposed off accordingly. Biffa Waste Management at Manchester have agreed to accommodate this premises.

2. Bin storage area

- Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point.

Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so. Please see drawing

3. Bin collection arrangement.

Please describe the bin collection area, including how and where bins will be moved in order to reach the collection vehicle.

Sacks of sorted waste will be placed at the kerb side on Stockport Road outside of the premises for the day of collection , this has been agreed with Biffa Waste Management and is a normal practice.

. Please see Drawing
