

DESIGN NOTE - DDA ACCESS

A.0 PROPOSED ENTRANCE

A.0.1 INTRODUCTION

.....▶ ROUTE

The existing DDA entrance routes to both the Arena and Unison building are very hidden and not pleasant. Users aren't able to feel the same experience as able users due to the nature of the existing layout with stairs and level changes.

The entrances previously were either lifts or stairs to every entrances but now with the introduction of escalators more options are now available.

Manchester Arena have achieved gold status with attitude is everything, one of only 12 venues in the uk to be granted this accolade and plan to consult with them during phase one and beyond.

“ Attitude is Everything improves deaf and disabled people's access to live music by working in partnership with audiences, artists and the music industry”
