Good morning

Re: 29 Berry Brow, Manchester, M40 1GR Application number: CDN/21/0087

Further to the above application we confirm that we have sample bricks and tiles at the above property and would be grateful if you could please advise whether you would require ourselves to bring these to be viewed or whether you wish to attend site? Alternatively would photographic evidence suffice?

I look forward to hearing from you.

Kind regards

Gerard Stelfox
