0.43m ² has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually.	N/A

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste - 1
Pulpable Recycling -
Mixed Recycling - 1
Food Waste -
Industrial Waste -

Has / will a contract be obtained with a licenced waste carrier?

Mixed Use Developments

Are the stores for residential and commercial separate from each other?

N/A

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Separate bins in each room of building to be segregated by staff into waste/recycling as part of daily cleaning checks.
Kitchen to have separate bins for waste/recycling to aid this.
All recycling to be washed prior to disposal. waste to be taken to internal main bin at end of each shift.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

1 waste bin and 1 recycling bin to be housed internal of the building,
this will be kept on the main gym floor to provide easy access to clients.

Ensure all bins in the store are accessible

Ensure recycling facilities are as easy to access as general refuse

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - New front door to provide ventilation.

Hygiene - bins to be internally washed down and cleaned after each weekly collection as part of gym weekly cleaning checks

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

Staff of social gym
