Good afternoon Jonathan,

Please find attached the letter report detailing the cover system validation undertaken this week. The report concludes that the cover system satisfies the chemical and physical requirements of the Remediation Strategy.

If you have any issues or questions then feel free to give me a call. We will issue our invoice next week for the works undertaken.

Kind regards,
Ash

Chris,
Trust you can close out the below with Ashley and Beech.

Ashley,

Once the final verification report is issued, please can you make sure I am copied in as I will need to get it issued to the council.

Regards
