

A diagram of a building floor plan, rendered in a light gray, blocky style. The plan features several rectangular rooms of varying sizes. A red rectangle is drawn over one of the rooms in the upper right portion of the plan, highlighting it. The overall shape of the building is irregular, with several protrusions and indentations.

- 1 All boundaries, dimensions and levels are to be checked on site before construction and any discrepancies reported to the Architect / Designer.
- 2 Partial Service: Any discrepancies with site or other information is to be advised to the Architect / Designer and direction and / or approval is to be sought before the implementation of the detail.
- 3 Block and site plans are reproduced under license from the Ordnance Survey.
- 4 Do not scale this drawing.
- 5 For the purpose of coordination, all relevant parties must check this information prior to implementation and report any discrepancies to the Architect / Designer.
