Subject: urgent - re Westwood Cottages, Raby St, Manchester

Good day everyone,
I don't know who's dealing with this site but apparently Rob Griffin wanted me to contact you to look at, and hopefully approve, this Method Statement please, and copy him into any replies.
I did a preliminary Method Statement in February to allow limited works to take place in advance of the out-standing bat survey work. Unfortunately things went a bit awry after I'd done the first of two activity surveys, mainly I think because the person who knew what was going-on left.
The next thing I know scaffolding is up ready for the work to start. Could you have a look at the attached at your earliest convenience please? Thanks,
Angela
