Hello,

Our engineer put a comment on enquiry to say the planning isn't affected on 28th April so they have no comments to make, we would ask that the customer comes into us before commencing works so we can ensure works are carried out safely

Kind Regards

Hi

Please could you let me know if you intend to make any further comments on this application. Your letter indicates that you intend to comment within 28 days of the day. That was in April.

The City Council is looking to determine this application shortly and it would be useful to understand if you have any further comments to make.

Best wishes

Jennifer
