Subject: Re: Planning application: 127576/FO/2020 - 903 Stockport Road Manchester M19 3PG

Dear all

Regards the recycle bins /waste bin and oil bin provided in the rear yard as shown on plans sent to you previously.

With regard how many dining spaces requires the answer its 10 dining spaces therefore 750 liters requires for waste etc the owner occupier will get contract with local authority or other private contract to fulfill the legal requirement and make waste management successful.

With regard the extractor I will provide asap more details in order to meet the local authority requirements.

Thanking all of you for your help and co operation.

Regards

Thamir jarad
