To:

OFFICIAL

Application number: 126431/FO/2020**Proposal:** RECONSULTATION DUE TO ADDITIONAL INFORMATION NOT RELATED TO THE ENVIRONMENTAL STATEMENT - Erection of a multi-use arena (Use Class D2)

(61082 sqm) with a partially illuminated external facade together with ancillary retail/commercial uses (Classes A1, A3 and A4), with highways, access, servicing, landscaping, public realm and other associated works.

Location: Site South Of Sportcity Way, East Of Joe Mercer Way, West Of Alan Turing Way And North Of The Ashton Canal At The Etihad Campus Manchester

Construction of the arena will lead to a significant uplift in patronage at Ashburys station. As such, Network Rail would expect to see funding toward improving facilities to be able to accommodate the expected passenger increase, particularly within the realms of improving accessibility and security.

During the current situation all planning applications and planning policy consultation must be issued to:

[REDACTED] only. Please do not send hard copies to the Manchester office as the Town Planning team are working from home.
