Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I would like to submit an objection to the proposed development of 8 Birch Polygon

* The size and appearance of the proposed development is not in keeping with the area where we live.

* Overlooking Birch Grove family gardens, resulting in a loss of privacy for those families and residents.

* The removal of the trees at the back and side of the property have had an impact on landscape and ecological habitats.

* The parking at the rear of 8 Birch Polygon will create noise and disturbance for residents of the street itself and neighbouring Birch Grove as the proposed car park at the rear backs onto our homes.

This development is not in keeping with the council's vision of bringing families back into our neighbourhood and creating a supportive community in the Rusholme area,
