Good morning Chris

I am the case officer dealing with the above planning application. Whilst I am able to measure off the dimensions of the proposal off plan, consultees are unable to do the same. Could I therefore request that you send me a set of the proposed plans with the length width and height of both the extensions and the dormer roof extension annotated on the drawings in order that these can be uploaded onto the system.

If you need to discuss anything relating to the application please do not hesitate to contact me.

Kind Regards

Janet
