Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Two 20,000-capacity arenas in Manchester are not sustainable. The number of events at any arena would mean that the people of Beswick would get no respite from traffic, noise, illegal parking and litter. And, critically, the coronavirus situation has profoundly affected the economic and entertainment landscapes. There do not appear to be any circumstances as of 2020 under which such a project should be allowed to proceed.
