Solid Hoarding

Debri Netting to existing fence (No Advertisement)

Advertisement Surrounding Environment Narrative

Northern Elevation

The northern elevation of the hoarding will face Greenheys Business Centre and the buildings loading bay, both of which are privately owned by the Manchester Science Partnerships Limited. However, this elevation is not to receive advertisement manifestation.

Eastern Elevation

The eastern elevation faces Rutherford House, which is owned by Manchester Science Partnerships Limited. Between the advertisement and hoarding is a grassed area containing a number of mature trees.

Southern Elevation

The southern elevation overlooks Rutherford House and the Rutherford car park, both owned by Manchester Science Partnerships Limited.

Western Elevation

The western elevation faces Greenheys Lane, a bus stop, and a terrace of flats.
