Comment Reasons:

Comment: We do not need another arena in Manchester's city centre. We absolutely do not need one at Eastlands ! The Manchester Arena is a fantastic facility and is in a brilliant location; bringing custom to all the trade in the city centre. I for one, would never, ever go to Eastlands even if it was my favourite artist. It is an awful area. We do not need this additional venue. With everything going on right now, I am sure the funds would be spent better elsewhere.
