Dear Jennifer

Re: Application 126431/FO/2020 - Erection of a multi-use arena

I am writing on behalf of Seven Bro7hers Brewery to support the above application for an arena in Manchester. Seven Bro7hers has sites in Salford and Manchester, including Ancoats just over one mile from the proposed site, and is looking to expand to other sites across the UK.

I support this application because the proposed arena will bring tens of thousands of additional visitors to Manchester. Many of these people will spend money on food and drink and on somewhere to sleep. This in turn will grow the local economy and help businesses like ours.

It will also create thousands of jobs at a time when our city needs them most and will help attract further investment in and around East Manchester.

Yours sincerely
