Comment Reasons:

Comment: The Arena in the city centre has stood for twenty plus years and has been a hub for many major events that my family and I have attended through the years. The bars and restaurants that benefit from this would be hit, many theme their evenings to what ever event is on and I have enjoyed the ease of accessing public transport from my location in Oldham.

I do not believe the city can support two huge event arenas and therefore wish to voice my objection to the planning proposal.
