Comment Reasons:

Comment: Dear Sir/Madam

I don't see the need for a second Arena in Manchester when we have one of Europe's biggest and best Arena's.

The second Arena is proposed to be in Eastlands out of the city centre and away from the heart of the city with it's various attraction, bars, restaurants etc.

To me this new Arena would damage the culture of Manchester

so I would like to see the existing Arena refurbished rather than build a second arena

Therefore I object to the second arena.
