Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I would totally object to the new arena near Eastlands. The arena in the centre of Manchester is ideal for the whole of the north west. I have met people from all over the area by attending events in the past. People can hop off a train or tram right next door to the arena. There is plenty of parking in the vicinity. I generally come to the arena by myself. It would not be impossible for me to attend any future events which I have enjoyed in the past.
