Comment Reasons:

Comment: Having been a regular visitor to your city for many years, I have always looked forward and enjoyed every time I have attended the Manchester Arena. Despite one occasion. Other than that, it is easy to walk to, travel to and generally has been and always will be the GO TO PLACE for any and all entertainment.

So Please don't destroy a piece of Manchester heart, by allowing mass chaos and demolition to happen in Eastlands. Particullay with everything that has happened this year, finacally it makes more sense to makeover what is Already THERE. I understand the economics of creating a new arena in terms of jobs etc, but when I come to your city I always say The MEN Arena is the place to BE.
