Comment Reasons:

Comment: This is not needed, a new arena in this area will just create even more traffic in the area and obviously pollution. I live in Burnage and there are no public transport links to this area we would have to drive, why should we do that when I could just nip in the train to the current Manchester arena which is also surrounded by bars and restaurants?! Stop this from happening and give the current arena the makeover, nobody wants it, nobody needs it.
