Comment Reasons:

Comment:I don't agree that there should be a new entertainment venue at the detriment to one which works perfectly well with the risk of multiple job losses and another building standing empty!

My only concern about the arena is the volume of people trying to leave the arena and the volume of traffic when trying to cross the roads and return to cars.

There is enough going on in Eastlands. Millions of pounds already invested, yet I wonder how many of the residents who will be directly affected by this empire would actually be able to benefit and enjoy? just more traffic and more money lining some greedy corporate pocket!
