Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:I object to the planning for a second arena venue in Manchester. I have attended just one major concert at Eastlands Stadium and vowed never to attend another. Manchester Arens has all the infrastructure required to support these events, Eastlands as an area in itself does not. The road system will not support it, neither will the public transport system. Then there is the risk of crime. As someone who frequented that side of Manchester many times over the years supporting stockcar racing at Belle Vue etc I know whats it is like to experience the motor theft, motor break ins and personal assault in this area. If a new Arena is built at Eastlands I for one will not attend.
