Comment Reasons:

Comment:I think a second arena would take shows away from the MCR arena which has been iconic in the city for many reasons over the years. It's one of the biggest arenas in Europe and has an amazing location, easy to travel to and park. East lands already has 2 football grounds and sports complexes and is based next to a busy supermarket and canal. The traffic on matchdays comes to a standstill! Surely we can't add more to that land that would be safe for ingress and egress of over 20,000 people on what is now a car park. KEEP MCR arena as the heart of the city!!
