Comment Reasons:

Comment: Hello, I live within the area surrounding the Manchester ethihad stadium and would like to know some more information regarding the new stadium. I was wondering what is going to happen regarding parking? Where are all the people who attend the events going to park? Because it will be a nuisance if they park on streets and cul de sacs surrounding the stadium. Is there going to be an increase in trams and buses to deal with the increase of people? And lastly when there are shows on at the ethihad people come walking down Bradford road at 10-11pm at night, dropping litter and using the bushes on our road to urinate. is there going to be any Marshall's on the roads to deal with people?
