Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly disagree with the proposal for another facility for Greater Manchester re: Erection of a multi-use arena. In this uncertain time it is surely too early to make a decision with regard to this. There are already plenty of venues in the Greater Manchester area to fulfil the need of the surrounding boroughs. In the Manchester Arena we have a magnificent hall more than capable of dealing with any of the multi-events required. It would be a financial disaster in the current climate.
