Comment Reasons:

Comment: Support Manchester Arena - I live 20miles away - which is close compared to others - but the Eastlands site is bad for network. I hav been to 2 gigs there & hated how long it takes 2 get out of the area.

Middle of Manchester wiv the trains, trams, buses & easy parking for cars at various places in the city it is easy to depart.

We usually eat in city when there to af Hard Rock cafe again easy access etc., so it helps keep your city alive.

You build a 2nd arena - 1 is likely 2 fold - priorities should be the city centre & keeping it vibrant & up to date.
