Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Even though I live out of the area ,I attend concerts every month and would attend more if there was availability ,tickets sell out the same day for arenas usually .I drive to Manchester then use the trams to get to arenas and its easier than getting to LIVERPOOL Arena ,I support the new arena idea and would use it ,despite temporary Covid 19 issues ,live music is a huge drawn to me and my friends ,at least 7 of us regularly attend and we are all in the age group 58-62 so its not just young people .
