Dear Jennifer

Re: Application 126431/FO/2020 - Erection of a multi-use arena

I am writing as Co-Founder of Sugo Pasta Kitchen to support the above application for an arena. Sugo Pasta Kitchen has restaurants in Altrincham and Ancoats.

The reason why I support the application is because it is £350m of private investment. It is money someone is willing to invest in to our economy without help from the taxpayer and it will create thousands of jobs. It will also continue the long-term regeneration of East Manchester through leisure and sport facilities.

As the new arena will bring tens of thousands of extra visitors to the city (750 000+ extra tickets) I think it will be good for the hospitality industry as people will need somewhere to eat, drink, and sleep.

The proposed arena is a 20 minute walk from Piccadilly train station in the city. It is likely many people will pass through Ancoats to the arena and I think this will be good for business at Sugo Pasta Kitchen and other bars and restaurants.

Many thanks,
