Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Would hate to see an arena developed that is outside of Manchester City Centre. I have been to an event at Etihad and public transport (especially the return journey late in the evening) is non-existent. If events were held at this new arena, I would not attend.

Large events should be held in the city centre with good links to all outlying Manchester districts.

An arena away from the city centre will have a detrimental effect on bars and restaurants in the city centre.
