Dear Ms. Atkinson:

On behalf of Matchroom, please accept our letter of support for the new entertainment arena project located on the Etihad campus as presented by Oak View Group. Matchroom is one of the main promoters in the UK and globally, we believe the new venue will be transformative to Manchester both culturally and with significant local economic benefits. Our company and its clients have worked in Manchester for many years, and a new technically advanced and environmentally efficient arena would be enthusiastically welcomed by our artists and their fans.

Thank you very much for your consideration.
