Comment Reasons:

Comment: Ashton Old Road is very busy with commuters HGV's, Buses between 6:30am and 8pm every week day. The noise and vibrations that the road generates because of heavy vehicle use is very disruptive to my daily life. My house vibrates all day long. We already have really bad traffic on match days at The Etihad (on match days my husband has to leave work early just to get back at a decent time) if you were to allow another arena to open in close proximity this means bad traffic and road noise nearly every weekend as well as weekday. I cant even open my windows during the week as the pollution and dust from Ashton Old Road is terrible and affects my allergies. Already living in a highly polluted and noisy area and this will just add to that.
