Hi Andrew,

Ap telephone conversation. We Metrolink have no objection to your works proceeding under a blue permit arrangement, that is, outside operational hour 01.30-04.30hrs Sunday to Thursday nights, permit to be picked up from myself prior to works commencing by a responsible person ie foreman.
No charge for permit

Regards
Gregg

Greg,

Thanks for your time and valuable input, as discussed would you kindly return an email just confirming /outlining the parameters /time slots to enable us to undertake works.

Our scope :-

Use pick up off load small quantity of materials on princess street walk materials to the corner , park pick up in nearby parking space , erect alloy tower 4.5m high 2.5m long with small outriggers fix chapter 8 barriers around tower
Ops access tower within enclosed ladder access small hand held tools
Carry out 5number pull test within this area
Dismantle tower , return pick up load & leave the area

Between 1.30am – 4.30am

Many Thanks

Andrew Garrett
